

Dear Parents and Guardians:

Each year the Ministry of Education asks our Grade 7 students, and their parents/guardians, to complete a survey that asks about how they feel about learning in their school. The grade 7 students have already completed this survey at school.

In addition to providing planning data for districts and schools, the survey has been used by the Representative for Children and Youth to report on the well-being of youth in BC, by the Ministry of Health to support healthy schools initiatives, and by other organizations. *This survey is voluntary and any responses are anonymous.*

You can access the survey by going to the following website:

- www.bced.gov.bc.ca/sat_survey/access.htm

Please go the Direct Access portion in order to complete the survey. Please choose “75 Mission” for the District and then search for École Heritage Park Middle School (see screen shot below).

Parents

- Please complete one survey for each child.
- Parents have two options for accessing the survey: either by using a logon provided to you by your school, or by using the Direct (logon-free) Access (please select one of the options below).

With a logon number from your school	Direct Access — no logon number required
