

Dear Highlander Families,

It's great to see so many students logging into Teams to check that they know their log-in information and checking out their class teams that are being loaded. We apologize for the many emails that have/will occur over the course of the day as teams are loaded and start-up information is shared, and we appreciate your patience as we've finalized details.

Our learning plan for the next few days is outlined below:

Friday, January 14th

- For today only, students log into their A Block Class Team (A Block is their Homeroom) at the assigned time.
 - Grade 7s: 1:30- 2:00 pm
 - Grade 8s: 2:00-2:30 pm
 - Grade 9s: 2:30-2:55 pm

** If you have more than one child in the same Grade that are having a device, please have them split the time and mention that to the teacher (for attendance purposes).

- Students need to log in with their school account
 - Username: studentnumber@learn75.ca
 - Password: four word passphrase
- The Teacher will take attendance and check in with students that they have been able to log in, see all of their class teams, online learning behaviour guidelines, participation expectations, and will review the "live class" schedule for their grade Monday-Wednesday next week.

Monday, January 17th-Wednesday, January 19th

Classes

- We are following the regular block rotation.
- Each grade has assigned "live class" time with their teacher on Teams during each block.
- Grade 7s will meet during the first part of the block, Grade 8s middle of the block, Grade 9s end of the block (schedule below).
- The link to the class meeting will be provided by the Teachers in their class teams or via email.

- Teachers will share with students where assignments will be loaded for them to work on during their regular class block, and answer questions/provide support during “live” class time.
- During the 45 min-1 hr of the remaining class time, students will be working on assignments that have been provided by the teacher (not online).
- Teachers will be available to answer questions via email (or other method that they will share with students, i.e. within the class team) during class time as well.

Attendance

- Attendance will be taken in all classes. If your child is going to be absent, please still contact the office to excuse their absence.
